

**mission**

architect focused on pursuing meaningful projects and community-based partnerships that support advancing education. I am most inspired by work that attempts to address the unyielding growth of our cities by embracing urbanism.

**experience level**

25 years professional.  
CA licensed architect #C31543.  
LEED AP, BD+C.

## interests

as a california native, most of my free time is spent trail running and mountain biking. my  
enduring obsessions include urban density and projects that embody social responsibility.  
i also enjoy mentoring, backpacking, traveling abroad and napping.
